

**Pinnacle Armor SOV Flexible Body Armor
Featuring High-Power Rifle Protection**

The above photo vividly depicts the performance of Pinnacle Armor's SOV flexible armor technology in extreme conditions. The photo shows a Pinnacle Armor SOV-1000 flexible body armor system shot 11 times by a 7.62 x 51 mm (.308 Cal.) M80 Ball fired at 2800-2850 feet per second from 15 feet without penetration.
